

about

GABY SURIEL

I am Gaby a student at Tufts University. In my free time I like to design websites and listen to my favorite music. I spend most of my time in Waterbury, CT where I live with my parents and spoiled betta fish Scooby.

recent travels

Ormond Beach

Every year I travel to Ormond Beach, Florida to go to the beach and attend the Rockville music festival one town over.

fave restaurant

Three Broomsticks

My favorite restaurant recently has been the Three Broomsticks. It is located in the Hogsmeade section of the Wizarding World of Harry Potter and is a replica of the pub from the Harry Potter movies. Three Broomsticks offers a wide selection of traditional British dishes such as shepherd's pie and fish and chips, along with butterbeer.

What makes it my favorite restaurant is the immersive atmosphere, since every detail makes you feel like you have stepped into the wizarding world. Eating there feels less like a regular meal and more like an experience, which is why it stands out as my favorite.

my top fave

Names for Pets

Here are a few of my favorite pet names along with the type of pet I think fits it best.

Sir Barkington

Madame Fluffykins

Baron Bubbles IV

- **Sir Barkington:** for a dog who carries himself like royalty but still gets way too excited about walks, treats and their favorite squish toy.
- **Madame Fluffykins:** for a fluffy cat with an elegant attitude who knows she runs the household.
- **Baron Bubbles IV:** for a pampered fish accustomed to a heated tank, the finest pellets, and a lush aquatic environment fit for royalty.

fave food

Sweet Potato Pie

My favorite food is my family's sweet potato pie. In southern North Carolina, my grandmother would always serve this delicacy at family gatherings, and it quickly became something I associated with comfort and southern hospitality.

Though I live far away from my mom's side of the family now, I still make it as much as possible in New England.

The warm mashed sweet potatoes, caramelized brown sugar, and blend of spices in the pie pair nice served with a dollop of whipped cream on top.

reading recommendations

Favorite Books

These are some of my favorite books, best enjoyed with a warm drink, a soft chair, and plenty of time to get lost in their pages.
